

PlanetMark
Certified Business

We are Planet Mark Certified

Year 3.

This is to certify that NCC Group has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 31 December 2025

Empowering change for a brighter future.

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Market-based

3,601.2 tCO₂e
Measured carbon footprint.

1.6 tCO₂e
Measured carbon footprint per employee.

Location-based

3,327.3 tCO₂e
Measured carbon footprint.

1.5 tCO₂e
Measured carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.
